DIRECTIONS

(Pembroke Pines FSU Elementary Charter School is located on SW 172nd Avenue, ½ block south of Pines Blvd. on left hand side)

Most likely everyone is either north or east of 172nd so best bet is to take I-75 to Pines Blvd. head west till you get to 172nd make a left. Go about ½ a block you'll see a community park/center we are on the south end of park. (we usually park on south side of school, which is second turning lane into park/school on left hand side. 1 or both gates are usually open) we are in the cafeteria, when you enter the hallway it is your second door on right).

Check out our website it has "maps" to both our dojo locations! The website is www.usagoju.net.

Oos to all!
